SSE	Prepayment Meter Pay As You Go Tariff	7.089	7.443		

*Effective unit rates are for firmus Domestic Customers with a PAYG meter, with effect from 1st April 2026, and based on an annual use of 7,734 kWh**, including the £200 Welcome Credit.

Customers who use more or less than 7,734 kWh per year will not receive this Effective Unit Rate. Effective Unit Rate = (Annual gas consumption (7,734 kWh) multiplied by Unit Rate minus Welcome Credit) ÷ 7,734, verified as of 31/03/2026.

**7,734 kWh per annum is the average usage for a firmus energy customer in the Greater Belfast Network with a PAYG meter.

Customers will receive their £200 Welcome Bonus within 56 days of completing their switch to firmus. The price they will pay for purchasing their natural gas will be charged at the Greater Belfast Home Gas Tariff (PAYG) pence per kWh as outlined above. The Effective Unit rate is a comparative tool to include the Welcome Bonus.
