firmus energy bring natural gas to your home and fit the meter to your property

We do not convert your central heating or fit appliances such as cookers, tumble dryers, real flame fires and gas barbeques. For these services you will need to contact a Gas Safe Registered installer*

To help you we have compiled a list of Registered Installers who work in your area (see reverse for details). You can find more Gas Safe Registered installers at www.GasSafeRegister.co.uk or by calling 0800 408 5500

Your local firmus energy advisor: **Philip Hewitt**

Mobile: **07973 893 644**

Email: **phewitt@firmusenergy.co.uk**

Customer Services: **0800 032 4567**

Contact me now to arrange your connection to natural gas

* details on this list were correct at time of print. We recommend that you always check that your chosen installer remains Gas Safe registered and registered with firmus energy. Details of all installers registered with firmus energy can be found on our website www.firmusenergy.co.uk. Our Energy Advisor is not qualified or authorised by firmus energy to introduce or recommend the services of any particular installer. firmus energy will not accept liability for any equipment installed or quality of work performed by any installer. Any agreement made to install natural gas central heating or other gas appliances, including any financial transactions, is between the customer and their chosen installer not firmus energy. Homeowners installing a central heating appliance will be required to make an application to the Building Control department of their local council prior to work commencing
