#### Keep your card in a safe place

Loss of card can mean loss of money. Unfortunately, if the card is lost or misplaced before the top-up value is transferred on to the gas meter it is like losing cash, however, if the card is found at a later date the top-up value will still be recorded on the card and it can be returned to us for a full refund. No one else will be able to use this card as each one is locked to an individual meter.

#### Keep the Smart Card 'gold chip' clean

Keeping the card clean can save an unnecessary trip to a local shop to get a replacement card. We advise keeping the 'gold chip' on the card as clean as possible. A soft cloth or an eraser can be used.
