Keep your card in a safe place

Loss of card can mean loss of money. Unfortunately, if the card is lost or misplaced before the top-up value is transferred on to the gas meter it is like losing cash, however, if the card is found at a later date the top-up value will still be recorded on the card and it can be returned to us for a full refund. No one else will be able to use this card as each one is locked to an individual meter.

Keep the Smart Card 'gold chip' clean

Keeping the card clean can save an unnecessary trip to a local shop to get a replacement card. We advise keeping the 'gold chip' on the card as clean as possible. A soft cloth or an eraser can be used.
